Keith,

Yes, you are correct, we want the Zoning Ordinance updated as well. The first paragraph and first sentence includes the zoning ordinance in it. Also the first page, third paragraph, last sentence speaks of the Zoning Ordinance update.

Mike

Just curious... The RFP looks like to me it is only for a Comp Plan.... Weren't you also going to have the zoning updated?

Subject: Correctrd RFP for Boone County

Greetings,

I have received questions about the dates on the RFP I emailed to you yesterday. I found that I had not corrected all of the dates in all of the places required. I am attaching a corrected RFP with dates that do not conflict.

The submittal deadline is October 23 at 3:pm, and the release date was 10/6/20.

Thank you!
Mike Salati
