

Boone County is now utilizing a new Online Permitting System. With this system the entire permitting process will be available on-line - creating a permit, paying for the permit and printing the permit.

Below are steps to get started.

Please visit this link <https://permits.schneidercorp.com/Default.aspx>

1. Click on the  button under STEP 1.

The screenshot shows a three-step process for creating an account and submitting a permit application. The interface has a grey header with the 'Sc' logo on the right. The steps are presented in yellow boxes with red text for the step numbers. Step 1 includes a 'start now >' button and a link for existing users. Step 2 describes selecting jurisdiction and permit type. Step 3 describes entering application information and tracking progress.

**STEP 1**  
Create a Free Account

**start now >**

Already have an account  
click here to login >

**STEP 2**  
Select Permit Options

Choose the jurisdiction and permit type that is appropriate for your project.

**STEP 3**  
Submit Permit for Approval

Enter information for your permit application through a user-friendly online interface. Then track the progress of your permit application from submission to approval.

2. Fill in the information shown below (choose your own account name and password) and then click 

## Create Account
